Delta Chapter,

For some months we have been on the lookout for our fraternal robes this which we have not recieved. We have held two initations without them and it has been very inconvient and if we had the robes it would be a very more impressive initatiàn. In the next two weeks we are going to have urgent need of these robes because of the possibilty of installing a Chapter in Miami.

WE need your help in getting some action on these robes .It has been nearly a year since the convention and as yet we have had no satisfactiom from National Headquarters about this. Your help will be appreciated in getting some action on this .

Dear Mr. Chairman:-

We understand that you are giving weekly Saturday night dances. Would it be possible for us to give one in conjunction with yours on Saturday night, June the eighth, nineteen twenty nine? We will furnish entertainment at our own expense and also distribute placards providing we will receive fifty percent of each ticket that we sell.

This dance will be held the night after High School Graduation. With us selling tickets to the High School Students it will enable you to get people at this dance that you would not have otherwise. In this plan you have nothing to lose, and everything to gain.

Hoping that you will give this matter your immediate attention, and that we will hear from you soon, we remain,

Yours truly,

Brother Hickey,

It has been almost a year since the convention and so far the correspondence between the National Officers and Iota Chapter has been very lax. We have heard from Brother Ball probaly once and not more than twice. It is hard for the chapter to give new ideas and news to our new brothers and pledges unless we have due information from our National Officers and other chapters of our Fraternity. The Iota chapter has also been very lax in it's correspondence, but we the members hope to correct this matter in the near future.

We have been working on a chapter in Miami for some time, not for a day and not for a week but for almost a year now. We must say that this to the Tau Delta Tau Fraternity should be one of it's greatest expansions if it goes through. The boys that we have in mind have already organized a club called the Sphinx Club. They have fifteen active members and three pledges. From our observation and also inside information we think that they would make good brothers and serve the Tau Delta Tau Fraternity as it should be served. We hope that our actions are agreable with all the members of our Fraternity and we would like your opinion on the subject.

We have been expecting therobes for almost a year now and we shall need them very much for our next initation because it must be very impressive and the robes will help out very much. Please let us know if we can get these robes within the next two weeks and if not please send us appattern and give us permission to have them made here.

Hoping that this letter finds you in the best of health and asking that you please tend to these matters at your most oppertune moment. We remain

Dear Brother Hickey:

Your letter of the 9th received and must say it is quite a pleasure to hear from you. We hope that this correspondence campaign that we are going to start in the near future, proves a success to the fraternity. We are also writing Brother Ball a letter in reference to this campaign and will be able to write each chapter as soon as we get the names from you.

Brother O'Brien and myself were in Jacksonville Thursday, Friday and Saturday of last week and we met with the Delta chapter and discussed the convention. We then proceeded to Gainesville and had quite a talk with Brother Judy. As you know we have no money to hold an elaborate convention, so naturally we will have to resort to another way. We think that Brother Ball's plan is the best we have devised. We are going to send the Delta chapter a copy of your letter that we have received and ask their opinion on this matter.

It seems as though the Delta chapter and also Brother Judy were very much in doubt as to whether we should have this convention or not, but Brother Hickey, it is indeed essential that we do because the fraternity is getting into a rut that will mean disaster in the long run, if we do not correct it. We think either a convention or a cabinet meeting will be the only method of correcting these things.

We are more than pleased to hear that we have a new chapter and only hope that it will carry on according to the high standards of our fraternity.

We are still working on the Sphinx Club in Miami and I think ll know something definite by the end of the week.

Hoping to hear some definite news concerning the robes and information that we have asked for.

With all good wishes, we remain,

Most fraternally yours,

IOTA CHAPTER.

Dear Bro.

The fact that I decided to spend Sunday here and rest up is responsible for this letter. I have been so busy I have hardly had time to think. I have not seen Omega in three weeks. Your letter I have read and re-read, and given very careful consideration. The chapter list- I cannot give you until I return to Hq. about Friday next. I strongly believe it would be a big mistake to try and hold a convention. I think a cabinet meeting would be 100% more effective and less expensive. It should be held either at Jacksonville, or Atlantic. I believe if all concerned would plan to come to Memphis and we can get two or even one active member from each chapter to come I will be glad to act as host to delegation. Shreveport La. chapter is

Dear Miss Sabo,

My name is John Mayle and I am a TAT rat. It has been requested, that I write you a letter, by Charles Fountain.

It is Sunday afternoon and I go to meeting in about 1 hr.

Is it as hot in atlanta as it is in West Palm Beach? I certainly hope not.

Charles is certainly nice, isn't he?

Wish me luck at meeting and be good.

My best regards

Football Season Over

Having finished a season with only one loss out of ten, the Wildcats have come across with the best seasons ever to be had at Palm Beach High; six were Big Ten wins with one loss in the circuit.

Tampa Hillsborough, who had won six and lost one in Big Ten games, came in first under the Dickinson System.

There were 20 seniors who finished their final high school game when the Cats beat the Flying L's of Fort Lauderdale. It was the end of football for some while others will play in college and maybe a few will play for the local semi-pro teams.

The seniors are as follows: George May, Bob Bouchlas, Bill Grant, Jimmy Ford, Bill Ingram, Donald Cottle, Ed Baker, Clarence Cartwright, Harry Johnston, Cotter Tharin, Allan Rush, Charles Cashion, Garnet Knowles, Walter Nichols, Lonnie Boswell, Jimmy

Legion Teams Clash For District Title

A "sudden death" playoff game between the West Palm Beach and Lake Worth Junior Legion All-Star nines for the district title is set for Russ Bullard Field in Lake Worth at 3 o'clock this afternoon. Both teams have won four games and lost one to tend in district play.

The local All-Stars had won four straight until Tuesday afternoon when they dropped an 11-inning game, 7 to 2, at Fort Lauderdale. Remsberg went all the way for the winners, giving up but six hits, while Lauderdale collected eleven hits off three West Palm Beach hurlers.

Ken Johnson gave Lauderdale two hits before being relieved by Jimmy Jones in the third. Jones, troubled by wildness, was relieved for [illegible] safeties before [illegible] took over in the [illegible] the rest of the way. [illegible] allowed four hits during his five-inning stint.

With the score tied and two out in the 11th, a walk and two singles produced the winning run for Lauderdale.

Kettler To Run For Schoo' Post In May Primary

Ralph H. Kettler, 41, life-long resident of West Palm Beach, Saturday announced for reelection to the School Board from District 5. Mr. Kettler, who first was elected to represent that district in 1946, has been the area's only board member.

Elected to take office Jan. 1947, he was appointed to the board in July 1946 when it was increased to five members.

A graduate of Palm Beach High School in 1926, he attended the University of Florida and has been in the insurance business the last 18 years.

He is married to the former Vivian Darden and resides at 315 Vallette Way.

Mr. Kettler is a grandson of the late—L. W. Burkhardt, pioneer settler, and the son of Carl Kettler, pioneer movie operator of West Palm Beach.

He saw service in the Pacific with the Coast Guard, being discharged with the rank of lieutenant.

"During the last four years I have devoted much of my time to the study and improvement of the Palm Beach County School facilities. I feel that I have a thorough understanding of the school needs in the County and by continuing on the Board I can give the people the advantage of experience and knowledge thus gained in office," he said in revealing his plans.

Tau Delt National Convention To Be Held Here This Week

Twenty-ninth annual convention of Tau Delta Tau, national high school fraternity, will be held here Wednesday through Saturday with members Iota, the local and mother chapter, as hosts.

About 35 delegates from chapters in Florida, Georgia, Alabama, North Carolina, Tennessee, Texas, and Illinois will attend. Oliver Jones, member of the local chapter and now a student at Duke University, is lieutenant commander of the national fraternity and is acting head in the absence of the commander, Gene Hutchinson of Atlanta, now with the Army in Korea.

Jerry Reid of Palm Beach is national treasurer and heads the committee on arrangements for the convention. Other national officers expected to attend are Bill Hunter of Atlanta, secretary, and Terry Darnbush of Atlanta, editor of The Towers, the fraternity's publication. John Oswald is commander of Iota.

Headquarters for the convention will be at the Lake Court Apartment Hotel and luncheons and business meetings will take place in the El-Bo Room there.

First in a program of social events planned for the visitors is a tea dance to be held from 4 to 6 Wednesday at the home of Miss Nancy Paty and her parents, Mr. and Mrs. B. F. Paty, 100 Wilderemere Rd.

That night there is to be a steak dinner, the group to gather with John Potter at the home of his parents, Mr. and Mrs. Paul W. Potter, 425 29th St.

A swimming and pie-cutting party is planned for Thursday at the Colonnades at Palm Beach Shores and a beach party and fish fry Friday at Singer Island.

A banquet will be held Saturday night at the El-Bo Room, followed by a dance at the Palm Beach Biltmore.

On Sunday morning the farewell breakfast will take place at the El-Bo Room.

Brooklyn Signs Gene Callaway

Gene Callaway, all-around athletic star at Palm Beach High before his recent graduation, has signed a contract with the Brooklyn Dodger baseball farm system, it was announced here Monday.

Leon Hamilton, scout for the Brooklyn organization in the Southern States, said he signed Callaway after having watched him for two seasons.

"I think he is a fine prospect with a chance to go places," said Hamilton.

Callaway played with the Palm Beach High Wildcats and also with the Junior Legion team as an infielder, and has also played some with local semi-pro teams this summer. He will not report to the Brooklyn organization until next spring in the camp at Vero Beach.

Neither Hamilton nor Callaway disclosed terms of the contract signing.

In high school Callaway was a star as a football fullback, doing most of the passing and kicking for the Wildcats last fall. In basketball he was a guard, and won some points in track meets in field events. He is 18, weighs 175 pounds and is a switch-hitter.

Reid Elected By Fraternity

WEST PALM BEACH—(AP)—Jerry Reid of Palm Beach has been elected national commander of Tau Delta Tau fraternity at its annual meeting here.

Reid, former treasurer of the organization, succeeds Gene Hutchinson of Atlanta, Ga., who is now serving with the Army in Korea.

Also elected were William Magruder, Memphis, Tenn., vice commander; John Oswald, West Palm Beach, secretary; Slater Marshall, Atlanta, treasurer, and Dale Cooper, Atlanta, sergeant-at-arms.

Michael Earp of Memphis was named editor of The Tower, fraternity magazine.

Memphis was chosen for the next annual meeting.

Father Bought a Ball Team

By PETER ORDWAY

The delightful chronicle of a man who has realized the great American dream of owning a ball club—the minor-league West Palm Beach Indians. Most of his experiences have been hilarious—to everyone, that is, but him.

WILL ROGERS, or someone of equal shrewdness, once observed that there are two things the average American male is convinced he can do better than anyone else—cook and run a baseball team. I can vouch for the second half of this maxim. Back in 1947, my father, Lucius P. Ordway, bought himself a ball team—the West Palm Beach Indians, of the Class B Florida International League.

He didn't have to do it. He was already in what many would regard as an ideal stage of life, living in retirement in Florida. A veteran of World War I who subsequently prospered in Wall Street, he had gone back in 1940 to his old outfit, the Air Force, and served as Chief of Intelligence, 8th Air Force, and Deputy Chief of Staff for Gen. Hoyt Vandenberg. Upon being discharged in 1945, Colonel Ordway returned to his home in West Palm Beach with three tiers of ribbons, thinning locks and dreams of a life centering around waving palm trees, golden sands and golf links. CAPT. DAYTON T. KORT, right, of 628 Hibiscus St., city, is congratulated by Lt. Col. Ralph W. Jones, 19th Bomb Wing Sqd. commander, upon receiving the Air Medal at the Okinawa headquarters of the veteran bomb wing of the 20th Air Force. A veteran of 29 Korean combat missions, he is spending leave with his family before reporting to Smokey Hill, Kan. Capt. Kort, a USAF Superfort bombardier, was awarded the medal for his part in B-29 strikes against Communist installations and equipment in North Korea. The citation read in part: "By his courage, fortitude and great credit upon himself, the Far East Air Forces, and the USAF." Capt. Kort was born and raised in West Palm Beach and is a graduate of Palm Beach High School. A veteran of World War II when he served as a bombardier in the South Pacific, Capt. Kort was recalled to active duty from the AF Reserves in February, 1952. He is married to the former Dorothy Jean Leach, Greenville, RI, and the have two children, Dayton, Jr., and Jimmy.

LAKE WORTH—Another day of anxious waiting was added to football players on Palm Beach and Lake Worth high school teams, as heavy rains washed out last night's opener here at Russ Bullard Field and caused the game to be reset for tonight at 8 o'clock.

The Trojan gridiron is a high, drain-engineered field, but the deluge that hit the area Friday made the grid unplayable and at 1 pm the tilt was postponed.

Although Coaches W. H. Cook and H. M. Whittington weren't happy over the idea of waiting another 24 hours, with their action-hungry players at a high pitch for the traditional game, it gave several bruised players time to mend wounds from pre-season drills. So both teams should be at full strength tonight.

On paper, tonight's battle looms as power vs. speed, as the Trojans have the problem of getting around a huge line. They will probably take to the air and around end trying to accomplish the task. The Wildcats have more speed this year, too, but a battering ram line should be able to shake loose such backs as Kenny Robertson, Bud Reynolds, starters from last year's squad, and Ed Messer and Ralph Hurst, a couple of speedy newcomers to the starting ranks.

Lake Worth's backfield of Ray Barnes, Bob Brooks, Hal Hainey and Al Ritchie are touted as one of the best in the Suncoast Conference, and are expected to give the Cats trouble tonight, especially on end runs.

The Wildcat starting line outweighs Lake Worth an average of 11 pounds per man, and the backfields are evenly matched in weight and experience.

Lawton C. Brown, son of Mrs. U. C. Brown of 1432 Ave. Alegra was awarded the silver wings of an Air Force pilot and the gold bars of a second lieutenant recently in graduation ceremonies at Vance AFB, Enid, Okla.

BROWN

Lt. Brown took his primary training at Bainbridge AFB, Ga. and has now been assigned to Parks AFB, Calif. He attended Duke University at Durham, NC.

Wildcats Improving; Tickets On Sale

If cool weather is the secret, Coach H. N. Whittington is hoping fall evenings of crisp temperatures go hand-in-hand with Palm Beach High's grid schedule this year, following the peppiest scrimmage of the season to date on Tuesday.

With overcast skies providing relief from a hot sun, the Cats breezed through a snappy workout which pleased just about everyone on hand . . . which is a rarity among coaches at this time of year.

Scrimmage accented running plays, with some work on passing, and half a dozen backs drew praise from coaches, including the probable starting backfield of Bill Messer, Ralph Hurst, Kenny Robertson and Buddy Reynolds, along with Bob Mitchell and Bob Hinson, both of whom showed good drive.

Robertson and Claude Casey handled the passing.

Commenting on the improved blocking, both in the line and downfield, Coach H. M. Whittington said the veteran linemen, Fred Forst, Tom Bouchlas, Lynn Fort, Kirk Lee and Matt Tracy, all looked good. The ends showed some defensive improvement, with Jerry Holmes and Gary Lockman playing considerably better ball than previously.

Season tickets went on sale Tuesday, and orders for them will be taken at the high school, or may be phoned to Ray Sparks or Tom Reynolds of the Rotary Club stadium committee.

CRUSADING BACKFIELD which probably will see a lot of action this season for St. Ann's High School is this quartet, a mixture of experience and green, but eager players. Center is veteran Bill Tessmer. Quarterback is another returnee, Matt Scurry. On the T, from left are Jim Jones, seatback right half. Jack Rafter, fullback, and Jim Lindsey, left halfback.

PB Ends 'Heavy' Practice

WEST PALM BEACH—A short offensive scrimmage Tuesday, held under the usual afternoon showers, marked the final heavy drill for the Palm Beach High Wildcat gridders in preparation for their season opener Friday night against the Lake Worth High Trojans at Lake Worth.

Coach H M "Red" Whittington and his staff appear better satisfied with the Wildcat squad at this stage of the season than they did last year due to the presence of a little balanced material

However, Whittington and the Cats are not regarding the neighboring Trojans lightly and reports that the Lake Worthers are fast, heavy and experienced, has the coaches worried over an upset

Right now, it appears that the Wildcats will have about 27 out of a first squad of 45 players ready for action Friday

Operating out of the split-T this year with veteran Kenny Robertson doing the ball handling, the local eleven shows promise of team speed that has been conspicuously absent

Ed Messer and Ralph Hurst at halfbacks and Buddy Reynolds at fullback are a starting veteran backfield with Claude Casey, Mo Mustaine, Norman Kreiser, Bob Mitchell, John Glaze, and Tony Booth as likely reserve strength

Tom Buchlas and Fred Frost head the tackle slots with Ken Fleisher, Earl Himmelheber, and Bob Jordon being the leading reserves.

The guard spots are bulwarked by five husky candidates—Lynn Fort, Matt Tracy, Kirk Lee, Bill Mulligan, and John McIver.

Ed Halliday is a veteran center but is being given a battle for a starting berth by Jim Hurst with Fort, a converted center being available for duty if necessary

Following the Friday game, the Cats have an open date before getting into their Big Ten Conference slate against St. Petersburg here Oct. 2.

Wednesday's workout was devoted to a light defensive workout against the split-T, which is also Lake Worth's chief attack weapon.
